Personnel:

Kayla Nelson:

Kayla resigned from the Unit upon graduation from UW-O May 17th. She is moving out of state in pursuit of a career in law enforcement. We thank Kayla for her dedication, enthusiasm and service with our Unit, and wish her success in her future endeavors.

Ken (Joe) Herrera:

Joe's membership with the Unit was terminated May 28th. We wish him well as he pursues other activities.

Bike Patrol Team:

The Unit has recently purchased two completely outfitted bicycles for the use of our Bike Patrol Team. Two additional bicycles remain on-order. These four bikes were properly fitted to insure each member was able to use a bicycle that met their needs and provides for a safe ride.

Memorial Day Procession

Lt. Schouten, Sgt's Knudsen and O'Bright and APO Kirby provide Bike Patrol Team services for the Monday Procession. Lt. Schouten and Sgt. Knudsen ride two of the new bikes purchased for our Team.

APO Edwards manned a traffic corner and appears in the photograph.

Special Detail:

As many of you know, especially as you travel on Witzel Avenue, the construction of the new Oshkosh Street Department City Garage is well underway. As the construction continues, some fencing around the 3rd Ave impound yard needed to be moved. The yard is a secured area and required on-site security during the fence removal and reinstallation. I received a request to staff the fence relocation.

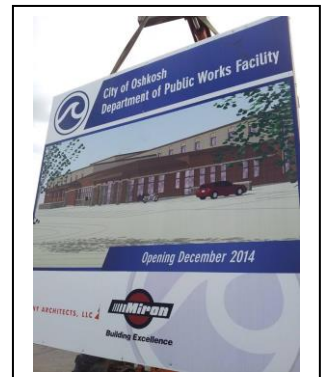

After calling for volunteers, APO Peterson and Williams responded to staff the detail.

After the completion of the project, I received the following e-mail:

"On behalf of the OPD I want to thank our Auxiliary Officers for helping with this project. It means a lot that we have volunteer officers who so willingly give up their time when asked to help."

Captain Kelly Kent

Thank you to Junior Peterson and Alex Williams for responding and assisting with this project.

Unit Cell Phones:

We have two city furnished cell phones for our use while working events. In the past, these phones were stored in each of our squad cars. At a recent Ranking Officers Meeting, it was determined that rather than remaining in the squad cars, the cell phones should be stored in our equipment room, near our portable radios.

If you work an event and need a Unit cell phone, you may check one out when you're getting your portable radio from our equipment room.

Vehicle Assignments for Details:

There's been some confusion at certain details regarding who will bring the vehicle. To clear up any confusion, the following decision has been made:

The officer assigned as Officer in Charge (OIC) of the detail will be responsible to bring the vehicle. The OIC, at their discretion may assign the task to any other OAP working the event if they so choose.

Minutes from the Oshkosh Auxiliary Police Meeting - May 14, 2014

Meeting was held in the OPD training room with 24 officers attending.

There was no training presented.

Past details discussion brought up some issues with the Bodybuilding detail and with a situation of OPD starting to use the TAC radio channel OAP was already using for a detail.

New details were presented and officers signed up to work them.

OAP Officer Kayla Nelson graduated and is moving out of the area so resigned from the unit. The unit thanks her for all of her assistance and for what she brought to the unit. Best wishes to Kayla in her future endeavors.

Honor Guard has not been assembled as of now. Anyone interested in being a part of that group, contact Deputy Chief Footit.

Timber Rattler game on May 21st.

No meeting in July. The unit has a steak fry instead in South Park. Details for July and August will be presented at the June meeting.

Ranking Officers Meeting May 28th at 5 p.m.

OPD Shift Commander offices are now on the lower level of the Safety Building.

Fueling procedures for vehicles will be changing due to the new pump area. Deputy Chief Footit will keep the unit aware of when and what changes will happen.

Website calendar for officers. Sgt. O'Bright reviewed how officers can access that calendar to find out who is working a detail. This is a private calendar on the website. A public calendar with the unit events can also be reviewed on the website.

Orders for the Law Enforcement Torch Run t-shirts, a fund raiser event for Special Olympics, were taken.

Meeting adjourned.

Respectfully submitted by,

Sgt. Mary Knudsen, Secretary

Operations.

- Vehicles

Fueling at the new pumps is not available as of now. There will be new procedures, keys, etc. when they are operating. Deputy Chief Footit will keep the unit informed as to how that will work and when it will be changing over. When a squad or van is to be used for a detail, the OIC will make the assignments. Officers should not get keys or squad prior to that arrangement.

Vehicles and equipment will be removed from the Osborn St. garage sometime this fall and relocated in the 3rd St. garage. Deputy Chief Footit will let us know when that will happen and what the procedures for getting squads and other vehicles will be.

- Personnel

The first on-line application was received from the website.

- Equipment

Polo shirts have been ordered and will be distributed when they are available.

A new laser printer to be purchased for the Command Trailer.

Cell phones - Considering keeping the two squad cell phones in the equipment room with the radios and will be checked out when using a vehicle. No third cell phone at this time.
