Call Outs:

Saturday April 5, 2014 -

It wasn't the first time an Auxiliary Police dinner was interrupted to respond to a call-out. During the Christmas Dinner in 2000, we were paged out to respond to the Hydrite Chemical tank car leak on Hughes Street. This year, just about at the end of our anniversary dinner awards presentation, we were requested to provide scene security at a meth lab site on the north side. Auxiliary Lt. Kevin Schouten and Auxiliary Sgt. Ron O'Bright left the dinner and responded to the call at about 8:30 PM. They were asked to secure the site until a chemical disposal unit arrived to pick-up the various chemicals used and clean the scene. The disposal unit was late to arrive, so at 2:00 AM they requested Auxiliary FTO Will Welch to relieve them. This was preplanned in the event the detail lasted longer than anticipated. FTO Welch arrived and was on-scene until the clean-up was completed and he was relieved at 4:00 AM.

Thank You to Lt. Schouten, Sgt. O'Bright and FTO Welch for volunteering to work this call-out during the evening of our Anniversary Dinner. Also, Thank You to Capt. Chad Gutche for coordinating our response to the detail request.

Friday April 11, 2014 –

A tragic accident occurred in the Foster Street area on the south side. We received a call from the Shift Commander at about 8:00 PM to provide scene security for the OPD Crash Investigation Unit. Deputy Chief Scott Footit and Sgt. Ron O'Bright responded to the barricaded intersection of Knapp and Foster. They remained on-scene until the Crash Unit had completed their investigation and the site was cleaned at about 10:30 PM.

Thank You to Deputy Chief Footit and Sgt. O'Bright for quickly responding to assist with this accident.

Law Enforcement 2014 Torch Run to Benefit Special Olympics:

As you may be aware, each year several of our Auxiliary Officers participate in the Special Olympics Torch Run.

This year, even though you may choose not to participate, you can still assist with your purchase of a Law Enforcement Torch Run for Special Olympics Tee Shirt.

The shirts are available in either cotton or a performance material, and are blue as pictured.

The cost is \$15.00 each. The Special Olympics program will receive an average \$11.00 from each sale.

If interested, or have other questions, please contact Auxiliary Sgt. Mary Knudsen.

Spring 2014 Pub Crawl:

The spring Pub Crawl was marked by horrible weather. Cold temperatures and a steady downpour made working the event very challenging for all Officers. Attendees participating were noticeably less than other years; obviously do to the weather conditions. Auxiliary Officers manned their assigned posts from approximately 6:30 PM until 1:15 AM.

Many of those who worked went home to catch a few hours sleep before returning in 3-4 hours for the Oshkosh Half Marathon.

Thanks to all those who worked these events!

South Park Easter Egg Hunt:

Good weather brought out an excellent attendance to the South Park Easter Egg Hunt. Various mascots, Oshkosh Fire Department as well as the Oshkosh Police Department were on hand. Auxiliary Capt. Youngbauer reports the detail went well and that APO Williams made many children happy allowing them to sit in our squad car while giving tours. Thanks to all that worked!
